Revival Drop 2

O legado continua.
A elegância se intensifica.

Após o sucesso absoluto do lançamento da coleção Revival, o Drop 2 chega para reafirmar o que é eterno.

Se o primeiro Drop conquistou, o segundo apaixona: peças com design ainda mais marcante, criadas para mulheres que imprimem força e personalidade em cada detalhe.

Revival é o encontro do clássico inesquecível com o olhar contemporâneo da Madre.

Mais do que acessórios, são fragmentos de autoconfiança.

Se você buscava algo ainda mais intenso e exclusivo, sua espera acabou.
